MATCH UPDATE

Meet Laura (Big Sister) and Ramona (Little Sister). They have been matched with Big Brothers Big Sisters since July of 2014, but their relationship started before that!

Laura works at Saubic and became part of their mentoring program with the local elementary school. Each week Laura would visit Ramona at school and have lunch with her and learn everything about one another. The year ended and they wanted to continue seeing each other, so Laura and Ramona enrolled in our Big Brothers Big Sisters Community Based program. During their time together the two would go to movies, out to eat, work on homework, and strengthen their relationship by learning about the Puerto Rico culture. With the uncertain times, Laura makes sure to call, text, and FaceTime Ramona and even schedules her grocery pick-ups on days her!

Meet the Board: Walt Caswell

Please help us welcome Walt Caswell to our Board of Directors...

Walt Caswell has come full circle in the Big Brothers Big Sisters program. He initially started out as a Little and graduated from the program. Then, as an adult, he joined the program as a Big. Now, Walt continues to give to the program that gave to him and joins Big Brothers Big Sisters of Southwest Indiana as the newest member of the board.

Walt Caswell is the owner and operator of the local business ProperTpros, Inc. and also works as a well known realtor for Keller Williams Capital Realty. As a native of Evansville, Walt attended school at Glenwood Elementary, Bosse High School, and the University of Southern Indiana.

Growing up Walt wanted to be an architect. His favorite childhood film is the Disney classic Chitty Chitty Bang Bang. Today, his favorites include traveling, pizza, and the movie Officer and a Gentleman. He is happiest spending time with his wife, Stacey and his children.

As a former Little and Big, he knows how fundamental this program is to the community. Walt comments that, "kids are important because they are the future of our country."

Walt is described as outgoing and energetic with a strong work ethic. As a board member, he plans to bring those qualities to the BBBS program.
